write your actions below For examples: write a letter to congress, call a friend, tell a relative, find an ally at work
write it here do it this year

(1) Pass Senate Bill S5223 and Assembly Bill A6707 that would **prohibit all employers from seeking salary history** from prospective employers (similar to New York executive order 161 which prohibits state entities from evaluating prospective candidates based on prior wage history).

(2) **Department of Labor** establish an extensive **public awareness campaign** to educate employers and public about prospective obligations and rights of the **Paid Family Leave Law** effective January 2018

(3) **“Right to request” Legislation** supporting fair scheduling practices to allow employees to ask for greater flexibility of scheduling predictability from their employer without jeopardizing their job

(4) **Educational opportunities for women**, and career advice for fields of study encouraging women to pursue **higher paying careers**

(5) Guarantee access to reproductive health care for all women. Regulatory action to ensure contraceptive drugs and devices are covered by commercial health insurance policies without copay, coinsurance nor deductibles for **12 months prescription durations**.

(6) **NYS pass the Comprehensive Contraceptive Coverage Act (CCCA)** and medically necessary abortions services covered by commercial health insurance policies without copay, coinsurance nor deductibles.

(7) **Codify Roe V. Wade** into state law.

(8) **Start a NY State Commission for Women and Girls** to ensure every NYS agency takes into account the needs of women and girls in the policy, programs and legislation so that all things are possible for all people.
